

Breathe in on the G

Dan Reeder

Breathe in on the G
And breathe out on the D
You can't help it anyway
Just keep on breathing even as you sleep

So breathe in on the G
And breathe out on the D
Zen and Feng Shui
Nearer my god to thee

Breathe in on the G
And breathe out on the D
You can't help it anyway
Just keep on breathing even as you sleep

So breathe in on the G
And breathe out on the D
Zen and Feng Shui
Nearer my god to thee
