If I had a pistol
I could join a revolution
Just like Che
Imagine me
Hunkered down low in the sugarcane
Watchin'
Havana burnin'

They might say listen here
We got no soap and we got no beer
We fight for the Truth
And the Truth is clear
I say, "Who you gotta know to get a gun around here?
I wanna see
Havana burnin'"

And if you'd let me join in

Me and Che

Would be the best of friends

We'd wait for the day

Someone would say,

"Put on your camouflage vest and your black beret

And let's go watch

Havana burnin'"

If I had a pistol
I could join a revolution
Just like Che
Imagine me
Hunkered down low in the sugarcane
Watchin'
Havana burnin'
