

James Brown Is Dead and Gone

Dan Reeder

Ooooh ooooh ooooh

I wake up and read the paper
James Brown, James Brown
James Brown is dead and gone

I get up and read the paper
James Brown, James Brown
James Brown is dead and gone

Ooooh ooooh ooooh

I wake up and read the paper
James Brown, James Brown, James Brown

James Brown is dead and gone

I get up and read the paper
James Brown, James Brown, James Brown
James Brown is dead and gone

Ooooh ooooh ooooh

I get up and read the paper
James Brown, James Brown
James Brown is dead and gone
Ooooh ooooh ooooh
