

# Shoot Me to the Moon

Dan Reeder

Shoot me to the moon  
Shoot me to the moon  
I guess I ought to just disappear  
I can't go home and I can't stay here

So shoot me to the moon  
Shoot me to the moon

Bah bum hah bum bum da dum

So shoot me to the moon  
Shoot me to the moon  
I guess I ought to just disappear

I can't go home and I can't stay here

So shoot me to the moon  
Shoot me to the moon  
Oh shoot me to the moon  
Shoot me to the moon  
I guess I ought to just disappear  
I can't go home and I can't stay here

So shoot me to the moon  
Shoot me to the moon
