

# This Is How We Do It

Dan Talevski

This is how we do it  
It's Friday night, and I feel alright

Sun's goin' down, I'm rollin' up  
Feelin' so high, yeah, on your love  
Another round can't get enough  
Girl, you drive me wild

I'm kinda buzzed and it's all because  
Baby, you do it like nobody does  
The way you move yeah you got much flavour  
Let's flip the track, bring the old school back

This is how we do it  
It's Friday night, and I feel alright  
This is how we do it  
This is how we do it  
It's Friday night, and I feel alright  
This is how we do it

It's just you and me, we're all alone  
Tonight we'll go where no one goes  
We can go fast or take it slow  
Girl, you drive me wild

I'm kinda buzzed and it's all because  
Baby, you do it like nobody does  
The way you move yeah you got much flavour  
Let's flip the track, bring the old school back

This is how we do it  
It's Friday night, and I feel alright  
This is how we do it  
This is how we do it
