

Devon Butler's Dying Wishes

Dance Club Massacre

i remember when you and i used to be inseparable,
kind of like ben affleck and liv-tyler in that
one movie. what happened? wheres the buzz
i used to get from drinking you?
look into my eyes. look what you`ve done
to me. i liked you more when you were sexy.
now you ve gone from miss liz to sapphire
relax baby gunsd cant keep me down cause im balushi
and you`re carrie fisher. now do you feel
somewhat cool? now that you`re princess leia
