

Midnight at McGuffy's

Dance Gavin Dance

Wow!

When I lost the plot inside of my lair
I get lost inside of my maze
I could rot inside of my lair
Or do me a favor and get out of my way

'Cause you've been waiting up all, waiting up all day (Been waiting up all day)

And I know it's not my, know it's not my place (It's not my place)
And I'm begging you, I'm begging you to stay (I want you to stay)
So we can feel our heartbeats, heartbeats, heartbeats
It's going to explode
I can be what you need 'cause I've got no control
Heartbeats, heartbeats, heartbeats
It's going to explode
I can be what you need

I took a trip through all my past mistakes for you
You couldn't let me live and just forget it
I took a trip through all my past mistakes for you, for you, for you
I'm in Hell and making zany art
Don't think I'm lame
My inner baby, it needs it's child support
Can you help me pay?

Fifty quid a pop, I grow grapes
Stayed up wondering, "Should I change how I behave?"
How's your parents? Are they still gay?
Fucked around and got some band aids from Rite Aid

And when the bleeding stops
You're only feeding the fire
Your body starts to slow
When the dreaming stops
The nightmare fuel can retire
The mind is left alone
And as the feelings pass
You're looking for the rat
But you're the piper that played itself for you
And when the bleeding stops
You're only feeding the fire, fire, fire, oh

Oh, oh, oh, oh

Wow!

Didn't know it was your birthday
Blew it in the worst way, fuck me
Guess I'll take you to the buffet
See a scary movie, Scream 3
It's midnight at McGuffy's
I think I'm thirty-something
My talk is mostly bluffing
I stuck my dick in nothing
All this tech and stocks I glaze
Reject me and I'll rage
Have you heard of microdosing?
Ayahuasca, dude?

Long legs, long knives, and I'm still alive (It's midnight at McGuffy's)
Long legs, long knives, and I'm still alive (It's midnight at McGuffy's)
Long legs, long knives, and I'm still alive (It's midnight at McGuffy's)
Long legs, long knives ('Bout to get my nose stuffy)
(Long legs, long knives and I'm still alive It's midnight at McGuffy's)
I am the common theme
(Long legs, long knives and I'm still alive It's midnight at McGuffy's)
The poison in your dreams
(Long legs, long knives and I'm still alive It's midnight at McGuffy's)
I'm gonna start it up, start it up
(Long legs, long knives and I'm still alive It's midnight at McGuffy's)
Don't get me started on it right now

Fifty quid a pop, I grow grapes
Stayed up wondering, "Should I change how I behave?"
How's your parents? Are they still gay?
Fucked around and got some band aids from Rite Aid (Oh)

And when the bleeding stops
You're only feeding the fire
Your body starts to slow
When the dreaming stops
The nightmare fuel can retire
The mind is left alone
And as the feelings pass
You're looking for the rat
But you're the piper that played itself for you
And when the bleeding stops
You're only feeding the fire, fire, fire, oh

Oh, oh, oh, oh (Oh, oh, oh, oh)
Oh, oh, oh, oh
Crimes, pure obsession (Oh, oh, oh, oh)
Get you invested into a battle (Oh, oh, oh, oh)
That was nothing at all (Oh, oh, oh, oh)
