dandelion hands

You have to tear me down until there's nothing left
What is there to do with what you turned me into?
Confess that you miss me
Open mouth kiss me
Tell me you love me sometime

Confess that you miss me
Open mouth kiss me
Tell me you love me sometime
I should have never woken up

You make me feel alone

You like to wear me around like I'm someone else
I just hope it's not true that I've been losing you since day t
