

# Sorry

dandelion hands

Your love does not go unnoticed  
Lonely, lonely, though I know you're reaching out  
Because of something up with me  
Not because of you  
If I seem lost let me know  
I'm sorry

It's not you, it's me  
Casually falling apart at the seams  
Trust my voice by how it sounds  
Know I love you being around

It's not you, it's me  
Casually falling apart at the seams  
Trust my voice by how it sounds  
Know I love you being around
