Inside and go

Can I say hello to him Can I get right up there and and
Talk?
HI HELLO. You know he's in there like
baby noises
Wanna hear something, really this is a fact about me

That you don't know.
When I was in the womb, I used to jerk off.
I- that's how young I started jerking off, in the womb.
There's x-rays or whatever.
Cat scans or sketches of me and I'm like this NOO NOO
Yeah,
I didn't even know if I was a boy or a girl.
So sometimes I would pretend I was a DJ *scratch
Noises*
NO... No I can't talk yet.*scratch noises* Maybe
This... maybe this...
Maybe I do this! Maybe this. I have not decided.
What is this cord keep getting in my way?
Why am I talking like a baby Mexican?
Why did I just give myself that weird accent?
