

# Horny S.O.B.

Danger Danger

Someone call a doctor  
Hurry grab a nurse  
Temperature's a risin'  
I think I'm gonna burst

Long tall Sally's all dressed to kill  
Tonight she's killin' me  
Cummin' on strong like a heart attack  
38 DD

Whoa yeah  
Round and round and round I go  
Whoa yeah  
I can't stop, I can't say no  
I got sex on the brain  
It's drivin' me insane

I got the itch  
I got the itch  
I keep on scrathin'  
But it only makes me twitch  
I'm in love, I'm in lust, I'm in need to a fix  
I'm a horny son of a bitch

One girl ain't enuff for me  
I think I'll play with two  
Stack'em up like pancakes  
Flip'em over when I'm through

I think I'm goin' crazy  
I wish that I could stop  
Well it's better than shootin' up my veins  
Drinkin' whiskey 'til I drop

Whoa yeah  
Round and round and round I go  
Whoa yeah  
I can't stop, I can't say no  
I got sex on the brain  
It's drivin' me insane

I got the itch - I got the itch  
I got the itch - I got the itch  
I got the itch - I got the itch  
I got the itch

Whoa yeah  
Round and round and round I go  
Whoa yeah  
I can't stop, I can't say no  
I got sex on the brain  
It's drivin' me insane

I got the itch  
I got the itch  
I keep on scratchin'  
But it only makes me twitch

I ain't f\*cked up, crazy, or a lunatic!  
I'm just a horny son of a bitch  
Horny son of a bitch  
I'm a horny son of a bitch!
