

# Shot O' Love

**Danger Danger**

I got somethin' on my mind  
It's been comin' for a long, long time  
Well it's a little crazy but a whole lotta fan  
It's a four letter word no it aint't f... (no, it ain't k that one)  
No, it ain't that one  
I got the symptoms (you got the cure)  
C'mon baby, whatcha waitin' for  
(Dont need no doctor) forget those pills  
Help me Rhonda, say you will

I need a shot o' love  
Straight no chaser baby fire it up  
Gimme a shot o' love  
I'm addicted to your touch  
You got me hooked on the staff  
Gimme a shot!  
A shot o' love

Started out young with the girls in the 'hood (too young)  
I was way too young  
Now I can't kick the habit 'cos it feels so good (cant kick it, no, ya cant kick it)  
You got the rhythm (I got the blues)  
C'mon baby, whatcha gonna do  
(My body's achin') I need to score  
Jais besoin de faire l'amour

I need a shot o' love  
Straight no chaser baby fire it up  
Gimme a shot o' love  
I'm addicted to your touch  
You got me hooked on the staff  
Gimme a shot!  
A shot o' love

I wanna get so high I'm never comin' down  
Oh baby, can't you see  
Love is the drug for me!

I got the symptoms (you got the cure)  
C'mon baby, whatcha waitin' for  
(Don't need no doctor) forget those pills  
Help me Rhonda, say you will  
I'm all strung out I cant sit still

I need a shot o' love  
Straight no chaser baby fire it up  
Gimme a shot o' love  
I'm addicted to your touch  
You got me hooked on the staff  
Gimme a shot!  
A shot o' love
