Danger Mouse

(INTRO-Jemini)

Introducin' my main man Danger Mouse, Super Producer  
And they call me Jemini the Gifted One...The emcee

[CHORUS-Jemini]

I was Born-A-MC, I was born to rhyme  
I was born to write and resight it and express myself  
I was born a emcee  
I was born to rhyme, I was born to spit to you get it and express myself

[Jemini the Gifted One]

Yo, yo  
The bigger they come, the harder they fall  
Danger Mouse and Jemini puttin' the writin' upon the wall (true)  
For people to read, I'm doin' this cause I need people to see,  
and touchin' a feelin'  
And enter the spirit that is runnin' through me, I was born emcee  
So when I was young I said I wanna emcee, gonna emcee, using me  
At 3:00 am in front of BoDangles, eatin' Potato Chips, n  
Watchin' the day go by, with dreams of the day that I get paid  
to rhyme  
And probably why I stay so high, blazin' a lot  
But now a days we call it "puffin' the trees", nigga's ain't high  
But now a days we call everybody emcee's  
I don't mean to preach, but emcee's a level that you gotta reach  
Respectin' history, be open to learn, and what it will teach  
I master each and every lyrical style that you'll ever need  
So lyrically-  
musically spiritually, guess that womens all you'll ever need  
Please believe!  
Uh-huh, uh-huh

[CHORUS-Jemini]

I was Born-A-MC, I was born to rhyme  
I was born to write and resight it and express myself  
I was born a emcee  
I was born to rhyme, I was born to spit to you get it and express myself
