

Take Me Swiftly

Dangerous Toys

Why do I care

I know it isn't fair

Why do I care

Don't let them steal your mind
Don't let them take your soul
Don't use rope, don't use fire
Don't use bullets, don't use sex

Why do I care

I know it isn't fair

Why do I care

Don't let them steal your mind
Don't let them take your soul
Don't use rope, don't use fire
Don't use bullets, don't use sex

Take me swiftly

Why do I care

I know it isn't fair

Why do I care

Don't let them steal your mind
Don't let them take your soul
Don't use rope, don't use fire
Don't use bullets, don't use sex

Do what you do just to stay alive

Why do I care

I know it isn't fair

Why do I care

I know it isn't fair

Why do I care
