

# Higher Than This

Daniel Ash

I said my love  
Why don't you lie down for me  
And I said my love  
Why don't you lie on the ground for me  
And I will get higher  
Higher than this  
And I will get higher  
Higher than this  
For love - for love  
For love - for love

I said my love  
Why don't you wash away the tears for me

And I said my love  
Why don't you wash away the tears for me  
And I will get higher  
Higher than this  
And I will get higher  
Higher than this  
For love - for love  
For love - for love  
For love - anything for love
