

It's Not Me It's You

Daniel Bedingfield

This changes everything,
I wish I knew that before I found your heart-
Light has consumed my eyes.
This changes everything,
No way to see you as I did before-
Nevermore.

I, I pulled you in,
Now I'd like you out of my life-
You're not welcome here.
I kissed a star-
May it grow to be so hot it burns you from me.

It's not me, it's you.
(You make the flowers die.)
It's not me, it's you.
(I fail to realize.)
It's not me, it's you.
(You are a closing door.)
It's not me, it's you.
I don't love you anymore.

I don't love you anymore.

This changes everything,
I wish I knew that before I made my bed-
Lightning inside my head.
This changes everything,
I'll never love you as I did before-
Nevermore.

I, I pulled you in,
Now I'd like you out of my life-
You're not welcome here.
I kissed a star-
May it grow to be so hot it burns you from me.

It's not me, it's you.
(You make the flowers die.)
It's not me, it's you.
(I fail to realize.)
It's not me, it's you.
(You are a closing door.)
It's not me, it's you.

Don't tell me what I need to hear.
I know you want a way to hear me say-
I'll blow you all away.
I'll blow you all away.
I'll blow you all-

Don't tell me what I need to hear.
I know you want a way to hear me say-
I'll blow you all away.
I'll blow you all away-
I'll blow you all away.
I'll blow you all-

It's not me, it's you.
It's not me, it's you.
It's not me, it's definitely you.
It's not me, it's you.

It's not me, it's you.
(You make the flowers die.)
It's not me, it's you.
(I fail to realize.)
It's not me, it's you.
(You are a closing door.)
It's not me, it's you.
I don't love you anymore.
