

Naysayer

Daniel Bedingfield

You were the closest friend I ever had-
I ever had.
I'll never meet someone like you again-
Like you again.
You cut me deeper than any friend
I've had the guts to stab.
So how am I supposed to heal from that?
I can't imagine.

You will never know the extent of
The damage that was done.
You will always bear the burden of
The thing that you've become.
Many times a day I find myself-
Missing my best friend.
I'll never give you the opportunity-
To do this again.

Now here we are-
'Cause you know me so well.
You pulled me down,
Burning down in your hell.
Before you know it,
You'll be on your knees.
That's what you get
When you do what you please.
You picked me up,
Now I throw it away.
I never listened to a word you said.
Tomorrow night, you'll be on your own.
How does it feel
To be an empty throne?

Naysayer-
I don't believe you.
I don't believe you.
I don't believe-
Your lies over me.

Naysayer-
I don't believe you.
I don't believe you.
I don't believe-
Your lies over me.

I'm a believer in friends for life-
If I find them.
I have to put them under the knife-
To find out if their heart is true.
Indelibly scarred by memory of what I had to do-
And now every time I look at her I think of you.

I will never know the extent of
The damage that was done.
And I will always bear the burden of
The thing that I've become.
Many times a day I find myself-
Missing my best friend.

I'll never give you the opportunity-
To do this again.

Now here we are-
'Cause you know me so well.
You led me on,
Took me down to your hell.
Before you know it,
You'll be on your knees.
That's what you get
When you do what you please.
You picked me up,
Now I throw it away.
I never listened to a word you said.
Tomorrow night, you'll be on your own.
You think of that
When you're on your throne.

Naysayer-
I don't believe you.
I don't believe you.
I don't believe-
Your lies over me.

Naysayer-
I don't believe you.
I don't believe you.
I don't believe-
Your lies over me.

Naysayer-
I don't believe you.
I don't believe you.
I don't believe-
Your lies over me.

Naysayer-
I don't believe you.
I don't believe you.
I don't believe-
Your lies over me.
