Alright Now

Daniel Boone

There she stood, In the streets
Smilin' from her head to her feet
I said "Hey, what is this?" Now baby
Maybe she's in need of a kiss

I said "Hey, what's your name baby?
Maybe we can see things the same"
Now don't you wait or hesitate
Let's move before they raise the parking rate.

All right now, baby it's all right now,
All right now, baby it's all right now.

I took her home, to my place
Watching every move on her face
She said "Look, what's your game, baby?
Are you tryin' to put me in shame?"

I said "Slow, don't go so fast,
don't you think that love could last?"
She said "Love? Lord above!
Oh! Now you are tryin' to trick me in love"

All right now, baby it's all right now,
All right now, baby it's all right now.

Let me tell you all about it now!

Took her home, to my place
Watching every move on her face
She said "Look, what's your game,
Are you tryin' to put me in shame?"

Baby, I said "Slow, slow, don't go so fast,
Don't you think that love could last?"
She said "Love? Lord above!
Now you are tryin' to trick me in love"

All right now, baby it's all right now,
All right now, baby it's all right now.

All right now, baby it's all right now,
All right now, baby it's all right now.

All right now, baby it's all right now,
All right now, baby it's all right now.

Eh! We are so happy together
It's all right, it's all right, it's all right
Everything it's all right.
