

Say You'll Be There

Daniel Boone

Last time that we had this conversation
I decided we should be friends
But now we're going round in circles

Tell me will this deja vu never end?

Now you tell me that you've fallen in love
Well I never ever thought that would be
This time you gotta take it easy
Throwing far too much emotions at me
But any fool can see they're falling
Gotta make you understand

I'm giving you everything
All that joy can bring, this I swear
And all that I want from you
Is a promise you will be there
Say you will be there
Say you will be there
Won't you sing it with me?

If you, put two and two together
you will see what our friendship is for
If you can't work this equation then
I guess I'll have to show you the door

There is no need to say you love me,
It would be better left unsaid

I'm giving you everything
All that joy can bring, this I swear
And all that I want from you
Is a promise you will be there
Yeah, I want you

Any fool can see they're falling, gotta make you understand
I'll give you everything on this I swear
Just promise you'll always be there

I'm giving you everything
All that joy can bring, this I swear (yes I swear)
And all that I want from you
Is a promise you will be there

Yes I swear
