

Always

Daniel Caesar

Baby, baby
There will always be
A space for you and me
Right where you left it
And just maybe
Enough time will pass
We'll look back and laugh
Just don't forget it

And maybe I'm wrong
For writing this song
Losing my head over you

And I'll be here
Because we both know how it goes
I don't want things to change
I pray they stay the same, always
And I don't care
If you're with somebody else
I'll give you time and space
Just know I'm not a phase
I'm always-ways-ways
Always-ways-ways
I'm always-ways-ways

Pretty lady
Used to walk with me
Down Bloor street
Oh, what a time
And I still remember the fussing, the fighting
The fucking, the lying
It's all fine
You'll always be mine

And maybe I'm wrong
For writing this song
Losing my head over you

And I'll be here
Because we both know how it goes
I don't want things to change
I pray they stay the same, always
And I don't care
If you're with somebody else
I'll give you time and space
Just know I'm not a phase
I'm always-ways-ways
Always-ways-ways
I'm always-ways-ways

Always
Can count on it sure as the stars in the sky
Always
You can count on it sure as the sun will rise
Always
My love for you ain't going nowhere
Always

I will be here
