Daniel Caesar

Heard you found someone else  
To sleep next to you  
Homie sexual  
But girl I ain't judging  
I know you were sick of my shit  
Found yourself a bitch  
One that's celibate  
But I know you're fronting

'Cause I know you like it nasty  
Can't get that shit past me  
I'm grabbing your throat  
But I really hope you're happy  
Miss that booty clapping  
Wish you were home

Take time to reminisce  
I know that you're feeling it  
You miss me a little bit  
Blow me a little kiss  
When you see me  
Please believe me  
I know you better maybe than you know yourself  
Plus you see me everywhere that doesn't help

So let me be the person that's gonna notify you (notify you)  
Despite your efforts I'm gon' end up back inside you  
And you wouldn't have it any other way  
Yesterday, tomorrow, always

Heard you found someone else  
To sleep next to you  
Homie sexual  
But girl I ain't judging  
I know you were sick of my shit  
Found yourself a bitch  
One that's celibate  
But I know you're fronting

'Cause I know you like it nasty  
Can't put that shit past me  
I'm grabbing your throat  
But I really hope you're happy  
Miss that booty clapping  
Wish you were home

Heard you found someone else  
Still ain't even find yourself  
Sitting in my hotel  
Just calling and I noticed that your page on private  
Why you hide yourself  
Why my girl, I never meant to make you cry my girl  
I know you that caught me in some lies oh well  
I'm not perfect  
It's some worser the people in churches  
We ain't gotta do the back and forth with each other like a versus  
'Cause it is what it is

It ain't what it ain't  
And they can never love you, like I can  
Love you like I can  
Someone said they seen you with your new man

Heard you found someone else  
To sleep next to you  
Homie sexual  
But girl I ain't judging  
I know you were sick of my shit  
Found yourself a bitch  
One that's celibate  
But I know you're fronting

'Cause I know you like it nasty  
Can't put that shit past me  
I'm grabbing your throat  
But I really hope you're happy  
Miss that booty clapping  
Wish you were home
