

# Let Me Go

Daniel Caesar

I'm tryna breath, why won't you let me?  
I'm tryna leave, please just forget me  
And honestly, our sun is setting  
And hardly believe this got so messy

Ain't gonna sleep tonight  
My dreams exhaust me  
I'll be awake 'til the light  
It's 'bout that time that I  
Break away before  
But time moves by

Baby, won't you let me go? Oh, oh  
(Let go, let go, let go)  
Baby, won't you let me go? Oh, oh  
(Let go, let go, let go)

I'm not afraid  
Of manipulation  
You're stuck in your ways  
I run out of patience  
You're lying when you tell me that you won't be fine  
I'm not leadin' you on, I'm leavin' you behind

Ain't no sleep tonight  
My dreams exhaust me  
I'll be awake 'til the light  
It's 'bout that time that I  
Break away before  
My time expires

Baby, won't you let me go? Oh, oh  
(Let go, let go, let go)  
Baby, won't you let me go? Oh, oh  
(Let go, let go, let go)

Ooh, ooh, ooh  
(Let go, let go, let go)  
Ooh, ooh, ooh  
(Let go, let go, let go)  
Ooh, ooh, ooh  
(Let go, let go, let go)  
Ooh, ooh, ooh  
(Let go, let go, let go)
