

## No More Loving (On Women I Don't Love)

Daniel Caesar

No more loving on women I don't love  
Fuck these power-tripping nigga that be lying on God above  
Fuck the world 'cause the truth is at stake  
Give you all the lemons and say fuck what you made

I'm no better, no better  
Make promises that float like feathers  
But I try, try, try  
I still try, try, try

Give you the best of me, nothing lesser  
Go out swinging, a real warrior's end  
Drown my face in blood and sweat  
Call on Jesus for my death

No more loving on women I don't love  
Fuck these power-tripping nigga that be lying on God above  
Forget the world 'cause the truth is at stake  
Give you all the lemons and say fuck what you made

Although I walk through the valley  
Of the shadow of death  
I will fear no evil, fear no evil  
Although I walk through the valley  
I hear no caution  
Of the shadow of death  
Yet, it's all in connection, oh  
I will fear no evil, fear no evil  
My prayers burst through the sky, so I  
Dare you to come and step to me  
I dare you to come and step to me  
I dare you
