

## Rain Down

Daniel Caesar

Lord, let Your blessings rain down  
Lord, let Your blessings rain down on me  
Lord, I can feel it rain now  
Lord, bless me with Your blood's power, power

Lord, rain Your blessings  
Lord, rain Your blessings

Rain down, Lord, rain on me  
Your blood is all I need  
Rain down, Lord, rain on me  
Your blood is all I need

Rain down, Lord  
Rain down, Lord, rain on me  
Your blood is all I need  
Rain down, Lord  
Rain down, Lord, rain on me, me
