

Root of all Evil

Daniel Caesar

What have I done? What should I do?
Forces of evil pull me away from you
I let 'em in, granted them entry
Now that you're gone, nobody gets me

Am I a man or a beast?
Somebody please discipline me
For I'm a sinner, a sinner

I know I should stay away but I can't
I'm too drawn to the evil
I know that I've gone astray, here I am
So many pretty people

Good of my heart, where will it lead?
It's only a door, for people will leave me
If I take you back, what will I turn to?
Sin is a gesture that I know you see through

Am I a man or a mouse?
Inside your house, stuck, can't get out
Sin is a weakness, and you see it

I know I should stay away but I can't
Proclivity to evil
I know that I've gone astray, here I am
So many pretty people
