Never forget

But at what cost
What am I giving up
But at what cost
I always find myself here

Give up the fight (Give up the fight)
You're not a winner (You're not a winner)
Move toward the light (Move toward the light)
Give up the fight

But at what cost (What cost, what cost)
What am I giving up? (What am I giving up?)
But at what cost
I always find myself here

I am the world, the world is me
With life, and peace, and harmony
I am the world, the world is me
With life, and peace, and harmony
I am the world, the world is me
With life, and peace, and harmony
This is your life (It's your life)
This is your life (It's your life)
This is your life (It's your life)
This is your life
