

Superpowers

Daniel Caesar

Oh, you got power
Superpowers
Do you even know how to wield them?
All God's children are special
But not like you
No, not like you

You're just like a flower
Ever given that's a given
All God's children are special
But not like you
No, not like you

Lift your head to the sky
(Sky)

Lift it
Lift it
Lift it
Lift it

Crazy to say this
But you're the greatest
(You're the greatest)
Can't explain it
I know that you know the truth
They can't deny you
Yeah, they can't deny you
It's true

Yeah, remember Vegas
You come a long way, kid
And let me just say this
You're the main character now
You're the main character now

Lift it
Lift it
Lift it
Lift it

Lift your head to the sky

You're the main character now
You're the main character now
