Unstoppable

Daniel Caesar

What the fuck is your problem? (Oh my god)

When I wake up in the morning, all me want fi see is you
Titties poking out your yawning, and you wet like mornin' dew
We done seen tough times together, motor boat, we power through

Now who's gon' stop us? We're unstoppable, yes
Now who's gon' stop us? We're unstoppable, yes

Know you hear these bitches talking, know that shit be for the birds
(For the birds, for the birds)
You're the only girl I've loved, fuck everything else you heard
(Else you heard, else you heard)
Playin' with your mind is workin', but I'm gon' buy you that Birkin
(I'm gon' buy you that Birkin, baby)

And who's gon' stop me? I'm unstoppable, yes
And baby, who gon' stop we? We're unstoppable, yes (uh)

You're my sweet, sweet, sweet, sweet love, sweet lovin' baby
And you're my sweet, sweet love (Sweet love, sweet lovin' baby)
Sweet lovin' sweet, baby, sweet (Sweet lovin' baby)
Sweet lovin' baby, baby, baby

You think you got me, you lost me, oh, no
You think you got me, you lost me, oh, no
Yeah, you think you got me
Who Jah bless, no man can curse (You lost me, oh, no)
Niggas want me in a hearse (Oh, no, you think you got me)
You lost me, oh, no (Oh, no)
You think you got me
Wanna see me broke and dumby (You lost me, oh, no)
Honestly it kind of hurts
I know you think you've got me (You think you got me, you lost me)
But you lost me (Oh, no)
I know you think you've got me (Yeah, you think you got me, you lost me)
But you lost me (Oh, no)
I know you think you've got me (You think you got me, you lost me)
But you lost me (Oh, no)
Yeah, you—

Oh, I know you think you've got me, but you lost me
I know you think you've got me, but you lost me

I know
