

# Valentina

Daniel Caesar

Valentina, baby  
I only need one moment of time  
To make you feel a way  
From the first time I looked in your eyes  
I knew that I would find  
A way to make you mine

I know it's late  
And I know you got a man  
Please understand, baby, he won't  
Love you like I do

Give me a break  
I know that you want me too  
You're loyal, it's cool, I understand  
And I respect it

Valentina, baby  
I only need one moment of time  
To make you feel a way  
From the first time I looked in your eyes  
I knew that I would find  
A way to make you mine
