

Ghost of Our Love

Daniel Johnston

Who's that knocking at the door
It's the ghost of our love
He just wants to sing a song some more
It's the ghost of our love

We really thought he was dead
We just wanted to go to bed
Who's that knocking at the door
It's the ghost of our love
The ghost of our love
The ghost of our love

I figure the more I try to live a better life the better my org
asms will be
