

# Heartbreak Hotel

Daniel Johnston

Since my baby left me  
I've found a new place to dwell  
It's right on down Lonely Street  
Called Heartbreak Hotel

I get so lonely  
I get so lonely  
I get so lonely  
I could die

I get this tingling feeling  
From my head down to my toes  
I don't know exactly what it is  
Like my blood don't get around too well

I get so lonely  
I get so lonely  
I get so lonely  
I could die

It's an efficiency apartment  
For broken hearts sincere  
Got a broken mirror to stare into  
And a bucket to drip tears

I get so lonely  
I get so lonely  
I get so lonely  
I could die
