

# Honey I Sure Miss You

Daniel Johnston

Honey, I sure miss you,  
And I long to kiss you  
And I miss you so much.  
Your loving touch  
Brought out the best in me.  
Can you bring it back to me?  
Cause I love you so much.

Your loving touch.  
Every time I think about you  
Love comes down.  
But your still not around.

Honey i sure miss you.  
And I wish you were here today,  
Cause I want you so much.  
Your loving touch.  
Nothing more important to me.  
No one anymore closer to me.  
Cause I love you so much  
Your loving touch.

Every time I think about you  
Love comes down  
But your still not around.
