

Hoping

Daniel Johnston

There's got to be a God
I mean, I hope so
But if there is a God
I really don't know

But I'm hoping
Yes, I'm hoping
I'm hoping there is a God

All around the world
It looks awful bad
All around the world
It seems pretty sad

But I'm hoping
Yes, I'm hoping
I'm hoping there is a God

Take my hand now
Girl, don't you know?
I love you so
I love you so

And I'm hoping
Yes, I'm hoping
I'm hoping there is a God
