

# I Can't Think Anymore

Daniel Johnston

Don't go. Please stay.  
Why you act this way?

I can't think anymore.

You are so fine.  
You play with my mind.

Please stop.  
Please try.  
Please try to be kind.

I can't think anymore

I had a hard time,  
Sortin' out what is  
and isn't mine.  
But I thought you were  
At least a friend.

I can't think anymore.
