

## It's Spooky

Daniel Johnston

Sometimes when I'm watching television  
And I think that most of the people in the movie  
Are probably dead  
And it's spooky

And when I go to the funeral  
See the people weeping  
And the body in the casket  
It's spooky

And in the Casper the Friendly Ghost cartoon  
I always wondered how it was  
Had he died?  
And it spooked me  
It's spooky

OooooooOooooh  
OooooooOooOooh  
Something's happening in the world  
The heavy metal band  
(Ooooooooooh  
Ooooh)
