

Man Obsessed

Daniel Johnston

He's a man obsessed
He couldn't be a lover
So now he's a pest.
He played the game
But he failed the test.
He's a man obsessed.
He's a pest

He's a man obsessed.
She's strictly restricted.
She's strictly business,
And her business is death.
He's a man obsessed.
He's a pest.

The only way you could get her to look at you is to die.
Why don't you die?
