

Merry-Go-Round

Daniel Johnston

Round round, time goes
Round round, time goes
Round round, dig the sound

I know, I know
Round and round, I know
Round and round, it's a merry-go-round

I know how much you love me
I know how much you love me

Life turns, on on
Morning, and dawn
I know, it's a merry-go-round

I am, glad to
Be here, with you
I am, it's a merry-go-round

I know how much you love me
I know how much you love me
