

When Love Calls

Daniel Johnston

When love calls
Where will you be?
When love calls
Where will you be?
Will you hear the knock
When love calls your name?

When love calls
What will you do?
When love calls
What will you do?
Will you hear the knock
When love calls your name?

Beware of darkness
Beware of evil
Beware my child
It will soon be over

When love calls
Where will you be?
When love calls
Where will you be?
Will you hear the knock
When love calls your name?

When love calls
What will you do?
When love calls
What will you do?

When love calls...
