

You're Gonna Make It Joe

Daniel Johnston

You're gonna make it, Joe
you're gonna make it, Joe
you're gonna make it, Joe
you're gonna make it, Joe

Ever since you were a little kid
you been doing what you did
when the teacher asked you what you were going to do
you said you are going to be an artist

You never did too good in school
you had to seek around just to read comic books
and they hit you on the head and everytime the teacher
said
stop drawing

You're gonna make it
you're gonna make it, Joe
you're gonna make it, Joe Joe
you're gonna make it, hey Joe
you're gonna make it, Joe
you're gonna make it, hey Joe
you're gonna make it, Joe
you're gonna make it, Joe
