Daniel Lanois

If you feel like you wanna dance  
Go ahead and do your dance  
Dance on (Dance on)  
Dance on, yeah (Dance on)  
If you feel like you wanna sing  
Sing and maybe you'll think  
Sing on (Sing on)  
Sing on, yeah (Sing on)  
And if you feel like you wanna shout  
Got something to shout about  
Shout on (Shout on)  
Oh, yeah (Shout on)  
And if you feel like you wanna love  
Don't care what nobody say about it, yeah  
Love on (Love on)  
Go ahead and love on, well, yeah (Love on)  
And if you feel like you wanna teach  
That's the only way you know how to reach  
Teach on (Teach on)  
Oh, teach on (Teach on)

And whatever  
You do, you do  
Don't let nobody steal your joy from you (Dance on)  
No, you dance on (Dance on)

Hey, hey, hey, hey, yeah, yeah  
Yeah, hit me now

I wonder, can you feel it move now? (Can you feel it?)  
I wonder, can you feel it? Yeah (Moving)  
I said I feel the fire (Can you feel the fire?)
