

# Darlin'

Daniel Lanois

Darlin'  
Every mornin'  
Like I'm dreamin'  
In your arms  
And darlin'  
When you hold me  
Nice and cozy  
Sweet and warm

And wherever you go  
And whatever you do  
Darlin' I'll love you

Darlin'  
When you kiss me  
Such a sweet thing  
I could cry  
And darlin'  
Lord above me  
When you love me  
I could die

And wherever you go  
And whatever you do  
Darlin' I'll love you

Wakin' up with you next to me  
Then you fix me a cup of tea  
Darlin' you're so damn sweet  
Don't forget the milk

And wherever I go  
And whatever I do  
Darlin' I'll love you
