

# Ridiculous Love

Daniel Lavoie

What was ridiculous  
Young love ridiculous  
Was it ridiculous  
Children in love ridiculous  
I heard someone laughing  
I heard someone laughing  
Was he laughing at them  
Or was he laughing at me

Was it desperate enough  
Could you read in their eyes  
If it was desperate enough

They're old enough to know  
This place is gonna blow  
So let them be let them sleep let them dream  
In their invincible love

Was it reasonable in a crazy world of cynicals  
Was it right was it sane was it what  
What's it going to be

Was it desperate enough  
Could you read in their eyes  
If it was desperate enough

This place is gonna blow  
We all know it's gonna blow  
So let them be let them sleep let them dream  
In their invincible love

This place is gonna blow  
We all know it's gonna blow  
So let them be let them sleep let them dream  
In their invincible love

Was it reasonable in a crazy world of cynicals  
Was it right was it sane was it what  
What's it going to be
