

good kid

Daniel Leggs

Hm, hm, hm

He was a good kid
Cutting the grass
Always had an apple for the teacher at the end of the class
Really, a good kid
King of the school
But don't you know you're not supposed to dive at this end of the pool?
1?

He said, "Oh my, oh my goodness
What's good up in the sky?"
Oh, they thought he was a good kid
But good kids don't ask why
Ee-I-ee-I-I
Ee-I-ee-I-I
Good kids don't ask why

He was a good kid
Little bit strange
All the medication he was taking kept the worries away
Really, a good kid
Looking for love
Calling up a number from the message on the side of a bus

He said, "Oh my, oh my goodness
What's good up in the sky?"
Oh, they thought he was a good kid
But good kids don't ask why
Ee-I-ee-I-I
Ee-I-ee-I-I
Good kids don't ask why

Ee-I-ee-I-I (Ooh)
Ee-I-ee-I-I (Ooh)
Good kids don't ask why
(Ee-I-ee-I-I)
Good kids don't ask why
Ee-I-ee-I-I (Ooh)
Ee-I-ee-I-I (Ooh)
Good kids don't ask why

He said, "Oh my, oh my goodness
Where do we go when we die?"
Oh, they thought he was a good kid
But good kids don't ask why
