

high note

Daniel Leggs

I want to win
I want to feel the morning light upon my skin
I want to live like I've never lived before
Man I've got some high hopes
Let's end this on a high note

Ooh
Ooh ooh
Ooh
Ooh ooh

I want to sprint
I want to finish every race when it begins
Fly like the wind like I've never flown before
Man I got some high hopes
Let's end this on a high note

Ooh
Ooh ooh
Ooh
Ooh ooh

Wonder if the ocean's ever open for me
I'm fighting like a lock without a key
Lightning with no thunder after that'd be a sight to see
Let's end this on a high note

Ooh
Ooh ooh
Ooh
Ooh ooh
