

runaway

Daniel Leggs

I'll sing when nobody listens
And you'll laugh at all my auditions
And we'll act like all is forgiven
Say you won't, but I'll still say, "I will"

We've come so far
Awake, I've been

Holdin' on for better days
I'm hopin' you will come and join us on a great escape
I'm screamin'
("Run-a, run-a, run-a, run-a, runaway")
("Run-a, run-a, runaway")
Holdin' on for better days
I'm hopin' you will come and join us on a great escape
I'm screamin'
("Run-a, run-a, run-a, run-a, runaway")
If you meet me ("Run-a, run-a, runaway")

Out there, nobody can stop us
Oh, goodbye, forget all your problems
If I'm Clyde, you're Bonnie to rob 'em
Say you won't, but I'll still say, "I will"

You're there when no one believes me
And you said that you'd never leave me
But I wish that this could be easy
Say you won't, but I'll still say, "I will"
(Say you won't, but I'll still say, "I will")

Holdin' on for better days
I'm hopin' you will come and join us on a great escape
I'm screamin'
("Run-a, run-a, run-a, run-a, runaway")
("Run-a, run-a, runaway")
Holdin' on for better days
I'm hopin' you will come and join us on a great escape
I'm screamin'
("Run-a, run-a, run-a, run-a, runaway")
("Run-a, run-a, runaway")

("Run-a, run-a, runaway")
("Run-a, run-a, runaway")
(We've come so far)
We can call it a weekend holiday
Gimme twenty and we can run away
(We've come so far)
We can buy you a suitcase on the way
Say you're with me and we can run away
