

Aetherside

Daniel Lioneye

I'd like to stay here on the otherside
beneath your foul miasma
I'd like to stay here on the otherside
until you change your mind
now I just can't wait to say goodbye spit out
that one last lie
nothing means anything tonight
I am Lucifer's child
dear paraphile you have wolfmother's eyes
'n ever evolving sperm crown.
I'd like to stay here on the aetherside until
I change my mind
