

Lonely Road

Daniel Lioneye

Mama, it's a lonely lonely road
I gotta do this on my own
It's a lonely lonely road

Mama mama, I ain't going home
Mama mama, I am so alone
Mama mama, I ain't going home
It's a lonely lonely road
Lonely lonely road

Mama, it's just like you said
I gotta do this on my own
It's just like you said

Mama mama, I ain't going home
Mama mama, I am so alone
Mama mama, I ain't going home
'Cause it's a lonely lonely road

Mama mama, I ain't going home
Mama mama, I am so alone
Mama mama, I ain't going home
'Cause it's a lonely lonely road
