

Neolithic Way - 2016

Daniel Lioneye

Paint my face today
in a neolithic way

I'm fire gazer
Weird jungle masquerade
in filthy urban stoner male
a high unstable shamanistic rage

yield to your Shiva nature and you're fucking doing it right
explicit disgrace of drug fueled lovers
pagan goddess raping me

sing motherfucker

I'd sell my soul to make you mine (that's fucking right)
I'd take your heart and give you mine (your heart is fucking mine)
I'd sell my soul to make you mine
so we could bathe in the moonlight
in tantric shadows of the night

I'd sell my soul to make you mine
I'd take your heart and give you mine
I'd sell my soul to make you mine
so we could bathe in the moonlight
in tantric shadows of my mind
