

With A Smile

Daniel Padilla

Lift your head, baby, don't be scared
of all the things that could go along the way.
You'll get by with a smile
you can't win at everything but you can try.

Baby, you don't have to worry.
'Coz there ain't no need to hurry.
No one ever said that there's an easy way.
When they're closing all the doors.
And they don't want you anymore.
This sound funny but I'll say it anyway.

Girl I'll stay through the bad times.
Even if I have to fetch you everyday.
You'll get by with a smile.
You can never be too happy in this life.

In the world where everybody.
Hates a happy ending story.
It's a wonder love can make the world go round.
But don't you let it bring you down.
And turn your face into frown.
You'll get along with a little prayer and a song.

(Too doo doo...) Let me hear you sing it.
(Too doo doo...)

Lift your head, baby, don't be scared
of all the things that could go along the way.
You'll get by with a smile.
Now it's time to kiss away those tears goodbye.

(Too doo doo...) Let me hear you sing it.
(Too doo doo...)
