

Free Loop (Re)

Daniel Powter

I'm a little used to calling outside your name
I won't see you tonight so I can keep from going insane
But I don't know enough, I get some kinda lazy day
Hey yeah

I've been fabulous through to find my tattered name
I'll be stewed tomorrow if I don't leave us both the same
But I don't know enough, I need some kinda lazy day
Hey yeah

Cause it's hard for me to lose in my life I've found
Only time will tell and I will figure out
That we can baby
We can do a one night stand, yeah
It's hard for me to lose in my life I've found
Outside your skin right near the fire
That we can baby
We can change and feel alright

I'm a little used to wandering outside the rain
You can leave me tomorrow if it suits you just the same
But I don't know enough, I need someone who leaves the day
Hey yeah

It's hard for me to lose in my life I've found
Only time will tell and I will figure out
That we can baby
We can do a one night stand, yeah
It's hard for me to lose in my life I've found
Outside your skin right near the fire
That we can baby
We can change and feel alright

It's hard for me to lose in my life I've found
Only time will tell and I will figure out
That we can baby
We can do a one night stand, yeah
It's hard for me to lose in my life I've found
Outside your skin right near the fire
That we can baby
We can change and feel alright

It's hard for me to lose in my life I've found
Only time will tell and I will figure out
That we can baby
We can change and feel alright
